Dear Mr. Price,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of Docket No. 2013-59-E and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Assistant

Subject: RATE INCREASE ?

Commissioner Fleming:

I am sure that industry is suffering along with all the citizens whom are struggling due to poor job opportunities. The Obama administration has destroyed small business growth and squelched the economy with a custom made socialist plan.

NOW IS NOT THE TIME TO RAISE RATES>

thank You:
Ted Price
